

16th International Conference on Social Robotics +AI (ICSR +AI)

October 23 – 26, 2024, Odense, Denmark
www.icsr2024.dk

The 16th International Conference on Social Robotics (ICSR 2024) will bring together researchers and practitioners working on the interaction between humans and intelligent robots and on the integration of social robots into our society. ICSR'24 will take place in Odense as a face-to-face conference on October 23-26, 2024. This will be the first time that the conference will be hosted in Denmark. The theme of this year's conference is **“Empowering Humanity: The Role of Social and Collaborative Robotics in Shaping Our Future”**.

Conference Topics

- Collaborative robots in service applications (in construction, agriculture, etc.)
- Human-robot interaction and collaboration
- Affective and cognitive sciences for socially interactive robots
- Context awareness, expectation, and intention understanding
- Control architectures for social robotics
- Software frameworks for social robotics
- Teleoperation, telepresence and remote interaction
- Human augmentation, rehabilitation, and medical robots
- Interaction and collaboration among robots, humans, and environments
- Personal robots for the home
- Multimodality in human-robot interaction
- Multiparty interaction
- Understanding sociality
- Application of ROS to human-robot interaction
- Robots in real life, HRI experiments in-the-wild
- Robot applications in education, entertainment, and gaming
- Robot ethics in human society
- Robots in healthcare and welfare environments
- Robots that can adapt to different users
- Robots to assist the elderly and persons with disabilities
- Space robotics, subsea robots, remotely operated underwater robots
- Safety in robots working in human spaces
- Socially assistive robots to improve quality of life
- Social acceptance and impact in the society
- Socially appealing design methodologies
- Robots with personality
- Virtual assistant avatars
- VR, AR, X-Reality robots
- Creative robotics
- Robots for arts
- Robotic performance

Authors can submit the complete manuscripts in PDF format following Springer's author's guidelines either for LaTeX or Word for the preparation of their manuscripts. Full manuscripts should be no longer than 10 pages, references included. All papers will be refereed by the program committee. The Proceedings of ICSR 2024 will be published by **Springer International Publishing** as part of the **Lecture Notes in Artificial Intelligence series (LNAI)**, a topical subseries of the Lecture Notes in Computer Science (LNCS). The proceedings of the conference are indexed by SpringerLink and Scopus.

Important Dates in 2024:

- Full Papers submission: **July 5**, Notification: **August 5**, Camera-ready: **August 20**
- Special Sessions submission: **July 5**, Notification: **August 5**
- Short Papers submission: **August 5**, Notification: **September 4**
- Workshop submission: **September 4**, Workshop Notification: **September 11**
- Competition submission: **September 4**, Notification: **September 18**

STANDING COMMITTEE

Shuzhi Sam Ge, *National University of Singapore, Standing Committee Chair*
 Oussama Khatib, *Stanford University, USA*
 Maja Mataric, *Univ of Southern California, USA*
 Haizhou Li, *Chinese Univ of Hong Kong, China*
 Jong Hwan Kim, *Korea Advanced Institute of Science and Technology, Korea*
 Paolo Dario, *Scuola Superiore Sant'Anna, Italy*
 Abderrahmane Kheddar, *LIRMM Montpellier, France and CNRS-AIST, Japan*
 Tianmiao Wang, *Beihang University, China*

GENERAL CHAIRS

Oskar Palinko, *University of Southern Denmark*
 Leon Bodenhausen, *Univ. of Southern Denmark*

GENERAL CO-CHAIR

John-John Cabibihan, *Qatar University*

PROGRAM CHAIRS

Kerstin Fischer, *University of Southern Denmark*
 Selma Šabanović, *Indiana University, USA*
 Katie Winkle, *Uppsala University, Sweden*
 Laxmidhar Behera, *Director, IIT Mandi, India*

SPECIAL SESSION CHAIRS

Ross Mead, *Semio, USA*
 Séverin Lemaignan, *PAL Robotics, Spain*

WORKSHOP CHAIR

Katrin Solveig Lohan, *Eastern Switzerland University of Applied Sciences, Switzerland*
 Mohammad Obaid, *Chalmers University of Technology, Sweden*
 Kutluk Bilge Arikan, *TED University, Turkey*

COMPETITIONS CHAIR

Amit Kumar Pandey, *Rovial Space, France*

PUBLICATION CHAIRS

Hongsheng He, *Univ of Alabama, USA*
 Dimitris Chrysostomou, *Aalborg University, DK*
 Wanyue Jiang, *Qingdao University, China*

SPONSORSHIP CHAIR

Patrick Holthaus, *University of Hertfordshire, UK*

PUBLICITY CHAIRS

Filippo Cavallo, *University of Florence, Italy*
 Oliver Bendel, *University of Applied Sciences and Arts Northwestern Switzerland*
 Birgitte Østergård Sørensen, *DTI*

COMMUNICATIONS CHAIR

Heather Knight, *Oregon State University, USA*

LOCAL ARRANGEMENTS CHAIR

Karina Therkildsen, *Univ. of Southern Denmark*

EXHIBITIONS CHAIRS

Dražen Brščić, *Kyoto University, Japan*

YOUNG LEADERS CHAIR

Alva Markelius, *University of Cambridge, UK*

SUSTAINABILITY CHAIR

Franziska Kirsten, *Blue Ocean Robotics, DK*

ROBOTICS AND ART CHAIRS

Hooman Samani, *University of the Arts, London*
 Elizabeth Jochum, *Aalborg University, Denmark*
 Dylan Cawthorne, *Univ. of Southern Denmark*
 Chen Li, *Aalborg University, Denmark*

AWARDS CHAIR

Evgenios Vlachos, *Univ. of Southern Denmark*
